2. Read Colossians 2:13-17 and Ephesians 2:13-22.
3. Compare the two passages.
4. Discuss:
  - What were your first impressions of these passages?
  - What was nailed to the cross in each one? How are these related? How is this Good News?
  - What are the results of the cross in each passage? How are they Good News?
  - How are the amazing truths of Colossians 2:14 and 15 connected?
  - According to Ephesians 2, we're all God's new temple and family members of his household. Do you have a sense of entering holy space when you gather together with other Jesus-followers? Do you have a sense of real, loving, and safe family when you get together with Christians? If so, what helps you encourage that awareness to grow? If not, why do you think that is?

5. Discuss:
  - Let's get practical! Satan was beaten through the crucifixion of Jesus and yet evil seems alive and well on planet Earth today. What can we do to live out the reality of Christ's victory? Talk about specific examples as individuals and as a small group. Think about relationships with family, friends, classmates, teachers, complete strangers, etc. How could you manage your words, your money, your time, and your talents?
  - What is the Holy Spirit saying to you, nudging you towards, or encouraging you about this week? How are you responding?
6. Pray together as a small group.
